

10 WAYS YOU CAN HELP STOP DOMESTIC VIOLENCE

1. Approach domestic violence as a human rights issue involving men and women of all ages and socio- economic, racial, ethnic and religious backgrounds. Support men to be empowered bystanders who can help confront abusive peers.
2. Support a workplace environment safe from all forms of violence and have policies in place that support victims in accessing information, services and legal remedies.
3. If you suspect that someone close to you is being abused or has been sexually assaulted, gently ask if you can help.
Call Hyde County Hotline's 24 Hour Crisis Line at **252-926-2500**.
4. Talk to your faith leaders about domestic violence. Discuss ways in which your faith community can promote healthy relationships, provide support to victims and their children, and send clear messages that domestic violence is not acceptable.
5. If a relative, friend, classmate, colleague, or teammate is abusing his partner -- or is disrespectful or abusive to girls and women in general -- don't look the other way. If you feel comfortable doing so, try to talk to him about it. Urge him to seek help. If you don't know what to do, consult a domestic violence program. Don't remain silent.
6. Have the courage to look inward. Question your own attitudes and make a positive change where necessary.
7. Be an ally to men and women who are working to end all forms of gender violence. Support events and raise money for community-based domestic violence and sexual assault programs.
8. Respect and promote respect for all people. Do not tolerate violence or degrading behaviors against anyone. Model nonviolent, respectful behavior in your family.
9. Recognize that teaching peace begins at home. Teach your children and grandchildren to reject violence, especially in the face of peer pressure or messages to the contrary in popular culture.
10. Subscribe to Hyde County Hotline's Newsletter and Like us on Facebook!
