NC STATE

Extension Master Gardener

COMING SOON!

EXTENSION MASTER GARDENER VOLUNTEER TRAINING

Extension Master Gardener Volunteer Program

Do you want to learn more about the culture of plants? Are you interested in participating in a training program that includes topics such as ornamental trees and shrubs, soil and plant nutrition, vegetable gardening, home fruit production, garden flowers, and water conservation? Do you look forward to sharing your knowledge and training with the people in your community? If you answered yes to any of these questions, this program is for you! Call for more information or submit an application today! Scan the QR code above or visit beaufort.ces.ncsu.edu for information and application or contact Gene Fox

Contact Gene Fox at (252)946-0111 or email at gene_fox@ncsu.edu
