

MATTIE Arts is the program of the Friends of Hyde County's Historic Courthouse, a 501 C 3 organization. We are sponsored in part through a grassroots grant from the NC Arts Council (2012-present), through a 2016-17 grant from the Z Smith Reynolds Foundation, and through donations from Hyde County citizens, local businesses and companies doing business in Hyde County~ all without whom this program would not be possible. Thank you!
