Dear Tony:

Congratulations! We have enclosed your \$2,500 America's Farmers Grow Communities donation from the Monsanto Fund on behalf of Hyde County farmer, Eric Cahoon. Cahoon selected your organization to receive this donation through the Grow Communities program.

The purpose of the Grow Communities program is to partner with farmers to make a positive impact in farm communities across the country by supporting local nonprofit organizations. Since the program began in 2010, more than \$29 million has been directed to organizations across rural America. Learn more at AmericasFarmers.com.

Thank you for doing great work in your community and contributing to rural America. We are proud to support your efforts.

Best regards,

Angela H. Allen
