

New Pesticide Container Recycling Location Open in Hyde County

There is a new pesticide container recycling location open at the Fairfield Convenience Site! (10438 Piney Woods Road) The Fairfield CPS no longer has pesticide container recycling.

Please remember that containers must be:

- High density polyethylene (HDPE)**
- 55 gallons or smaller**
- Triple-rinsed or high pressure rinsed**
- Caps and booklets must be removed**

For a list of companies that will collect mini bulk containers, visit: <http://www.tpsalliance.org/index.php?id=209>
