

ATTENTION OCRACOKE SHOPS!

The Swan Quarterly is compiling a list of Ocracoke shops that are currently able to do online business to post on our Facebook page. We know you could probably use the income – and the holidays are fast approaching, so we know our readers will want to shop and help you out at the same time. If you'd like to be included, please message the name of your shop, your Facebook page address, and your website address. (Optional: a phone number.) If you are not quite ready to do online business right now, message us when you are! Thank you for taking a few minutes to to this in the midst of hurricane recovery!
