## CORONAVIRUS (COVID-19) IN HYDE COUNTY

**For immediate release**

July 2, 2020

Hyde County Health Department now has a total of 13 COVID-19 laboratory confirmed cases, but the good news is that 9 of those cases have recovered. There are 4 active cases as of today, none of which are hospitalized. Press releases of each new case have ceased. For current information on the number of cases in Hyde County, you can visit <https://covid19.ncdhhs.gov/dashboard>. You must realize that this website may not be updated as frequently as our internal reports, so information on this website may be slower than our own.

Also, COVID-19 cases are very likely to climb in Hyde County. Please continue to practice safety protocols and if you are not, please consider doing so for the safety of others. Prevention of spread is up to us, the people, and how assertive we are with our efforts. Remember, wear your mask, wait 6 feet between others, and wash your hands.

Should you have questions, the Health Department is here for you. Call us at 926-4399 and as always, follow us on Facebook and Twitter.

Get your information from reliable sources, such as:
