

About Domestic Violence

It is imperative to remember that domestic violence has no boundaries. It is in every community, in every city, in every state. Until we all stand up against abuse and hold abusers accountable at every level, we will continue to see violence in the lives of our children and grandchildren.

Quote from a Georgia Advocate

Please help us work to eliminate domestic violence in Hyde County.

What is Domestic Violence?

When one person uses a pattern of coercion and control against the other. Control is gained through verbal, emotional, physical, sexual or economic abuse. DV is a crime perpetrated by using fear as the first weapon.

OUR MISSION:

The purpose of Hyde County Hotline, Inc. is to work to eliminate domestic abuse and sexual victimization and provide safe shelter in Hyde County, North Carolina through the collaborative efforts of a compassionate community.

We promote dignity, respect and safety at home resulting in safer communities.
