Blacklands Area Horticulture News

This month has been a tough one! I am already fielding calls about freeze damage to landscape ornamentals. I expect more calls to come in on this topic. I also anticipate freeze damage to warm season turf, especially in centipedegrass lawns. So far this month I have been helping with the Roadshows and fielding homeowner questions. I am working on getting trainees for Extension Master Gardener Volunteer certification. I attended the Green and Growing Conference in Greensboro, NC all of last week. This is a mix of networking and education in pesticides, weeds, ornamentals, and turf. I had an advisory meeting today to discuss needs and upcoming educational programming for EMGV, Public, and Landscape Professionals. Afterward, time allowing, Dr. Parker and I will be looking at a Pecan Variety trial in Hyde County.

Opposing a Change from the Election of Judges to the Selection of Judges

WHEREAS, the North Carolina State Constitution ("Constitution") established three branches of government: Executive, Legislative and Judicial, and;

WHEREAS, the Constitution also established the roles and responsibilities of each of the branches of government and how individuals seeking to serve in those branches would be elected, and;

WHEREAS, the General Assembly is currently debating the merits of amending the Constitution to allow the selection of judges instead of the historical method of electing judges by a vote of the people, and;

WHEREAS, the Beaufort County Board of Commissioners ("Board") believes that judges should continue to be elected by the voters and not selected by some other process that may be established by the Legislative Branch, and;

WHEREAS, at its regular meeting on January 8, 2018 the Board voted unanimously to send this resolution to its local legislative delegation and the boards of county commissioners of all 100 North Carolina counties.

NOW, THEREFORE, BE IT RESOLVED, that the Beaufort County Board of Commissioners opposes any amendment to the North Carolina Constitution that would change the right of the people of North Carolina to elect their judges, which insures an independent judiciary, as now provided in this State's Constitution.

RESOLUTION
OPPOSING ANY CHANGE
IN THE DEFINITION OF A COMMERCIAL FISHING OPERATION

WHEREAS, commercial fishing is a vital part of North Carolina's history, heritage, and culture and represents a crucial component of the economy for Dare County and other coastal communities; and

WHEREAS, according to the NC Division of Marine Fisheries, the sales impact of the harvesting and sale of commercial seafood is \$388,325,000 and the income impact of employed commercial fishermen is \$166,066,000; and

WHEREAS, the definition of what constitutes commercial fishing in North Carolina has been determined by the General Assembly and has long been established in section 113-168 of North Carolina's General Statutes; and

WHEREAS, the North Carolina Marine Fisheries Commission (MFC) is now undertaking an action to consider changes in the definition of a commercial fisherman; and

WHEREAS, among the items that the MFC proposes to consider is a requirement that those holding Commercial Fishing licenses must have 50 percent of their earned income from the Trip Ticket Program, generate 36 Trip Tickets per year, and require those who do not have Trip Tickets to show proof of \$10,000 or more income per year; and

WHEREAS, no other professional license issued by the State dictates a percentage of income or minimum income requirement or level of participation in order to qualify; and

WHEREAS, the requirements that are being considered by MFC, or any other adverse change they may propose to the definition of Commercial Fishing, would have a harmful effect on many of the hard working North Carolinians who now engage in commercial fishing and already suffer because of government overregulation that imposes severe quotas and unnecessary restrictions on fishing seasons, limits, and gear forcing many to take on additional jobs and engage in part-time businesses in order to responsibly support their families; and

WHEREAS, this latest attempt to redefine commercial fishing is not the first time that the Marine Fisheries Commission has looked at this matter; and

WHEREAS, over seven years ago, in October of 2010, the Marine Fisheries Commission empaneled a Fishing License Review Taskforce, which examined in detail the requirements for holding a commercial fishing license and concluded that the definition contained in the General Statutes was adequate and therefore there was no real need to modify the definition of what constitutes a commercial fisherman; and

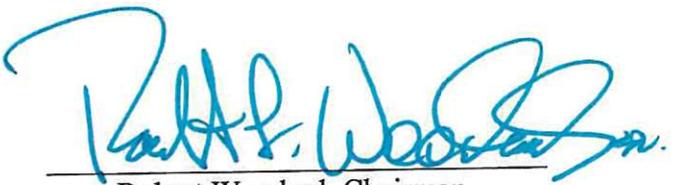

WHEREAS, furthermore, the Final Report from the Fishing License Review Taskforce clearly stated its recommendation that "no changes are needed to the existing definition."

NOW THEREFORE BE IT RESOLVED that the Dare County Board of Commissioners supports the definition of commercial fishing that has been determined by the duly elected members of the North Carolina General Assembly and reflected in the North Carolina General Statutes.

AND BE IT FURTHER RESOLVED that the Dare County Board of Commissioners strongly opposes the unnecessary effort that is now underway by the Marine Fisheries Commission to reexamine the definition of commercial fishing, and urges all coastal communities to adopt similar resolutions, and encourages all residents to vigorously voice their concerns about the latest attempt by the Marine Fisheries Commission to once again redefine commercial fishing.

Adopted this the 22nd day of January, 2018.

Area rallies around family who lost home in fire

By **CAROLINE HUDSON**
For the Daily News

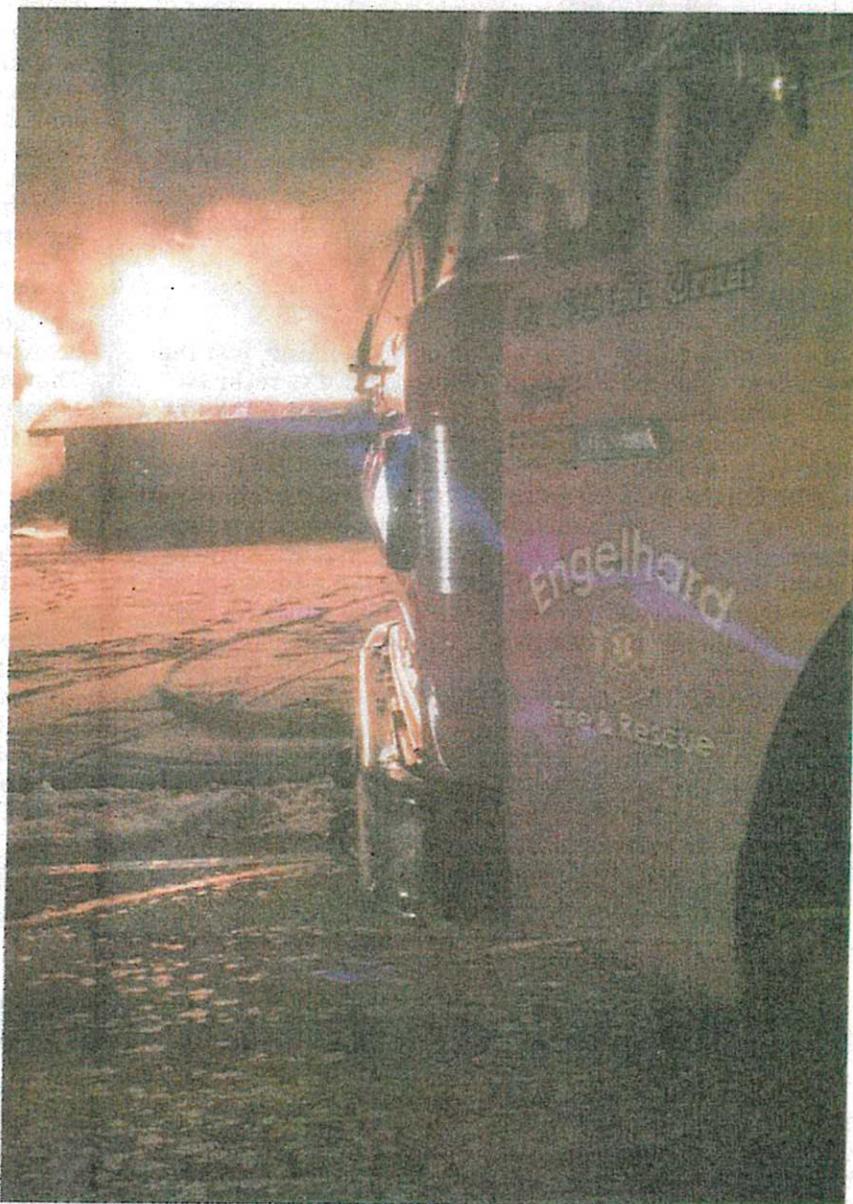

ENGELHARD — When the Gibbs family went to bed last Saturday, they never dreamed they'd lose their home by morning.

But that's what happened in the early morning hours when a short in the home's electrical wiring caused a fire, which traveled through an outlet and caught one of the beds on fire.

The Gibbises may have lost all of their possessions, but they didn't lose everything. Everyone is alive and safe. The fire started in 11-year-old Tate's room, but he was luckily spending the night with a friend.

"The puppy was barking, and I just kind of thought she wanted out, so I was hoping if I just let her lay there for a few minutes, she would stop, and after about 20 minutes when she didn't, I got up to go get her, and everything was dark, you know, and I could smell what smelled like burning sugar," mother Lori Gibbs said. "I turned the light on, and all I could see was smoke."

In the rush of the moment, Gibbs said she thought she could put out the fire. Within about 30

EARLY MORNING BLAZE: Firefighters from Engelhard, Fairfield and Swan Quarter responded to a house fire in the early morning hours of Saturday. The Hyde County community is now rallying behind the Gibbs family, who owned the home.

HYDE COUNTY HEALTH DEPARTMENT

WINTER WONDERLAND: For the past week, eastern North Carolina has experienced the most snow the region has seen in years. Snowfall in combination with icy roads led to school and office closings and delays. Hyde County Health Department shared a photo of its own view of the winter wonderland.

BOND:

Continued from 9

minutes, though, fire had overtaken the house.

At around 4 a.m. Saturday, Engelhard Volunteer Fire Department arrived, soon followed by Fairfield and Swan Quarter fire departments and Hyde County Sheriff's Office. Gibbs' older son Benjamin is a volunteer firefighter, so he immediately jumped into action, as well.

Crews worked for hours to extinguish the blaze, and the house reignited a few times during the following day. The community began to pitch in even before the flames were out.

"To everyone who stopped and asked our deputies if they could get them some coffee or do anything to help ... thank you, you are part of making this community a better place," reads a Facebook post from Hyde County Sheriff's Office. "To the anonymous donor that brought every firefighter, medic and LEO biscuits from the Gas Bar, that helped lift spirits and warm everyone up a little, so thank you!"

People from the Hyde County community and beyond were also quick to rally around the Gibbs family. Gibbs said Dare to Hyde has given the family a place to stay until they can find a new home. Clothing items have also come in by the droves.

"It's been overwhelming, just the amount of support we've received," she said. "It's just been, you know, blessing upon blessing."

Gibbs said she believes the fire is a part of God's plan, and the family intends to rely on him during this time.

"We can't say thank you enough, and thank you is not even the right words. I don't know what the right words are. It's just incredible," Gibbs said.

The Gibbs family is now in need of home items. Those interested in donating should call Rhonda Topping at 252-943-4131. Donations are also welcome via the GoFundMe page at www.gofundme.com/j5c688-gibbs-family-fire-recovery?pc.

SIGN UP: Last month, Octagon House Restoration Inc. Chairman Walter Baum erected the Hyde County house's new sign, which features a QR code to scan on a mobile device for more information. The circa-1857 Octagon House is only one of two antebellum-era octagonal houses left standing in North Carolina. In late 2017, roofing repairs were completed on the home, as part of the latest phase of renovations. Hyde's Octagon House is located off of U.S. Highway 264 in Engelhard.

Reed Whitesell

February 10, 1953 - January 9, 2018

Reed Whitesell

Jonathan Reed Whitesell, 64, of Carolina Beach, died Tuesday, January 9, 2018, at Lower Cape Fear Hospice & Life Care Center.

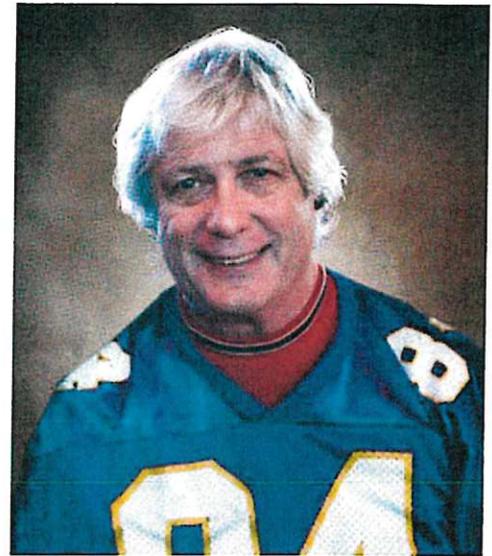

Reed was born February 10, 1953 in Albany, NY, son of Katherine Dugan Whitesell and the late Jonathan Reed Whitesell. Two of his brothers, Jim Whitesell and Stephen Whitesell, preceded him in death.

Reed grew up all over the United States. One of his many childhood accomplishments was achieving the rank of Eagle Scout at the young age of 14. After graduating from The Lawrenceville School in New Jersey, Reed attended Carleton College in Minnesota where he earned his B.A. He moved back to Wilmington in the mid 1970's and briefly worked at the North Carolina Underwater Archaeology Center at Fort Fisher. He then joined Talbert, Cox, and Associates where he made life-long friends with whom he shared many unforgettable Friday night cookouts. After working for Rick Catlin Engineers and Scientists, he settled at Holland Consulting Planners. Whether it was writing proposals or driving all over eastern North Carolina (where he found some amazing barbecue places), Reed was extremely dedicated to his job and knows everyone at HCP will continue to hold down the fort for him.

Affectionately known as 'Mr. Reed' by all who loved him, he was an amazing cook - his barbecued ribs were famous (he loved the charcoal grill). He was a frequent contender in many local chili cook-offs, as well. He was a talented musician; he played the guitar, harmonica and sang. He founded the Road House Blues Band many years ago. Whether it was The Pony Express, Burrito Bob's, Katy's, The Ice House, or Kefi's, they always kept the house rocking. He also loved to play the acoustic guitar and played many gigs on The Island in recent years with his fellow Tide Traveler.

Reed was a dedicated, die-hard Minnesota Vikings fan who bled purple and gold. He never missed a game on t.v. and enjoyed many live games with his siblings.

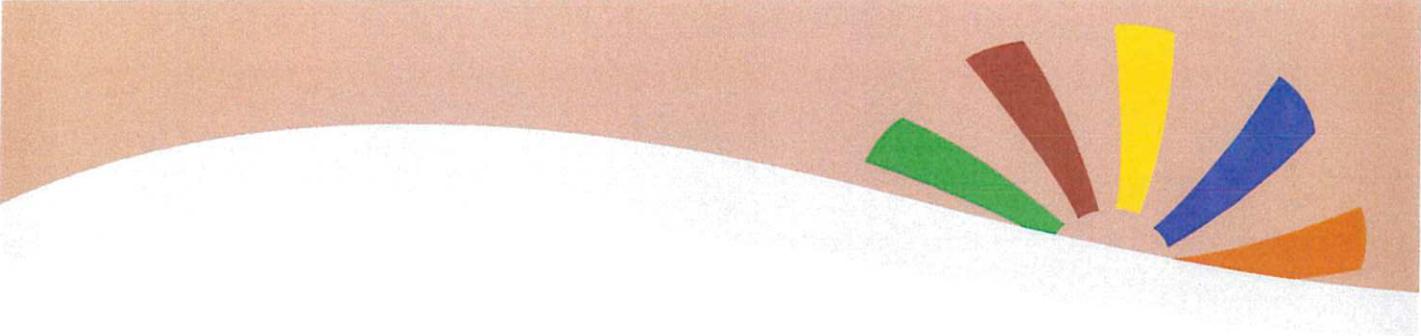

Reed was a true friend to many and was always willing to lend a helping hand to anyone who needed it. Once you met 'Mr. Reed', you never forgot him.

Born: February 10, 1953
Place of Birth: Albany, NY
Death: January 9, 2018
Place of Death: Wilmington, NC

In addition to his mother, he is survived by his two sons, Jim (Rasika) Whitesell and Joe Whitesell, both of Wilmington, and one grandson, Rowan Whitesell of Wilmington. He is also survived by his sister, Kathy (Ed) Walser of Manassas, VA, brother, Davis (Heather) Whitesell of Eliot, ME, sister, Beth (Jack) Andruszkiewicz of Tucson, AZ, brother, Andrew Whitesell of Round Pond, ME, brother, Dan Whitesell of Morehead City, sister-in-law, Marisa Whitesell of Chapel Hill and many nieces, nephews and cousins.

A funeral service will be held at 1pm Saturday, January 13, 2018, at Andrews Valley Chapel with Rev. Bob Kus officiating. Prior to the service, the family will receive friends from 12pm until the service hour. Interment will follow in Oleander Memorial Gardens.
