## Open Letter to Ocracoke Community

The Ocracoke Planning Advisory Board has had to review The Ocracoke Development Ordinance and has recently finished the review. The board would like to inform the community of this and have put aside the next two meetings for public comments or suggestions concerning The Ocracoke Development Ordinance. The board has recommended 14 minor changes primarily in wording.

We feel this is your ordinance and we need to give our community a chance to respond before we submit the ordinance for updating to be in compliance with state law.
