PROCUREMENT POLICY

1. To the maximum extent practical, the County of Hyde promotes a fair, open and competitive procurement process as required under the North Carolina Housing Finance Agency's Urgent Repair Program (URP). Bids are invited from Contractors who are a part of Hyde County's approved qualified vendor's list. (To be a qualified vendor, a contractor must use the Hyde County vendor process which includes: completing an application, having their recent work inspected, reviewed and approved by the Rehabilitation Specialist and submitting proof of insurance.) Any contractor listed with and approved by Hyde County and in good standing will receive automatic approval status on the qualified vendor's list.
2. At least three eligible contractors on Hyde County's qualified vendor list shall be invited to bid on each job and the lowest responsive and responsible bidder shall be selected for the contract. "Responsive and responsible" means:
(a) the contractor is deemed able to complete the work in a timely fashion, (b) the bid is within 15%, in either direction, of Hyde County's cost estimate, and (c) there is no conflict of interest (real or apparent).
3. Although bid packages may be bundled for multiple job sites, the bids for multiple job sites shall be considered separate and apart when awarded and shall be awarded to the lowest responsible bidder for each job site.
4. Bid packages shall consist of an invitation to bid, work write up(s) and bid sheet(s) for each job.
5. Bids must include a cost-per-item breakdown with linen item totals equaling the submitted bid price. Discrepancies must be reconciled prior to a contract being awarded.
6. Any change of the original scope of work must be reduced to writing in the form of a change order to be agreed upon and signed by all parties to the original contract and two representatives of Hyde County. The change order must also detail any changes to the original contract price.
7. No work may begin prior to a contract being awarded and a written order to proceed provided to the contractor. In addition, a pre-construction conference and "walk thru" shall be held at the work site prior to commencement of repair work.
8. Hyde County reserves the right to reject any or all bids at any time during the procurement process.
