## Office of Planning & Economic Development Department Report Spring 2013

### Engelhard Sanitary District (ESD) – Lagoon Repair

The Engelhard Sanitary District recently changed their regular monthly meeting date to the third Thursday of each month in order to accommodate the Hyde County OPED. A conflict existed with the ESD meetings and the Ocracoke Planning Board meetings. This new schedule has been properly advertised.

The ESD, with the assistance of Hyde County, has submitted a Special Order by Consent application to NC DENR to address the Notice of Violation and Moratorium of additional hookups to the ESD treatment facility. The application is currently under review by NC DENR. An acceptance of that application is expected in May. After acceptance, the ESD with the assistance of the Hyde County OPED will move forward with grant applications to correct the deficiencies at the treatment facility. In the meantime, the ESD is complying with short term goals set by NC DENR.
