The Swan Day Celebration on the Second Saturday in December

Swan Day is an event highlighting the migration of the Alaskan Tundra Swan to the beautiful Mattamuskeet National Wildlife Refuge and the historical heritage of the Mattamuskeet Lodge. The sign up date for the popular tram tours will be announced on the Mattamuskeet National Wildlife Refuge's website and at swandays.com. There will be numerous educational activities and environmental displays. As usual there will be food vendors and local artists and craftsmen. Also, this year we will have Earth Quest's Raptor program from Texas with us which is a rare opportunity for this area. Please come and join us!
