

Transportation for everyone!

Hyde County Transit has enjoyed serving the communities of Hyde since 1987. HCT was incorporated as a private non-profit corporation by a group of private citizens that saw a need for public transportation services for the county's residents.

Presently, HCT has a fleet of two 25-ft buses and four vans, three of which are wheelchair accessible. In 2010, HCT provided over 16,000 one-way trips for the residents of Hyde.

Most residents believe that HCT's services are not available to them, but everyone is eligible for our services. As a matter of fact, Hyde Transit wants to know your transportation needs. We promise we are interested in knowing where you would like to go and what we can do to get you there!!

We have many transit services, including but not limited to:

- Non-emergency medical transportation
- Employment transit services
- Transit services to the Mattamuskeet Senior Center
- The Rural General Public Program.

For more information about transportation programs, contact Hyde Transit.

Office hours are Monday through Friday, 8 a.m. to 5 p.m.
