

JOB ANNOUNCEMENT

Hyde County Health Department

Position: Public Health Nurse II – Telemedicine Nurse

Position No. 481-50-155

Salary Range: \$38,664 - \$59,929

Description: This nursing position primarily manages the Telemedicine Programs by assisting physicians via electronic technology in providing health care for patients. Assessments, referrals, laboratory services, and schedules are routine parts of this position. Also included is outreach within the community as well as internally. The employee must have excellent communication skills with professionals as well as patients. Collaboration with specialty clinics for telemedicine services is vital part of the success of this program, and recruitment is expected to be a part of this position. This position also works heavily in the new Behavior Health Program.

Work Schedule: Hours are primarily Monday through Friday 8:00 a.m. to 5:00 p.m. with one hour for lunch.

Minimum Training and Experience: Graduation from an accredited school of nursing with two years of professional nursing experience including one year in public health; or an equivalent combination of training or experience.

Special conditions for employment: Prior to employment, the successful applicant will be asked to submit to pre-employment screenings. Applicants must possess a valid NC driver's license.

Deadline for submission of applications: ***August 3, 2018***

To apply, submit original, signed and dated State Application (PD 107) and transcripts to:
