About this workshop

Drawing attention to your business is tougher than ever before! Large chain stores, a challenging economy, the Internet, etc. have made the small business venture often times frustrating. BUT you can take matters into your hands and discover what you can do to bring customers to you. In this seminar presented by the East Carolina S.C.O.R.E. Chapter, you will learn low cost advertising/marketing strategies and methods, creating your marketing plan, scoring greater sales with current customers, and other “tricks” of the trade. ADVERTISING AND MARKETING FOR THE SMALL BUSINESS is a seminar you will want to be a part of and – it is absolutely free!
