Greeting To All:

It's that time of the year again; yes it's beginning to feel a lot like Christmas! The Hyde County Department of Social Services is preparing to bring in the Christmas spirit by taking applications for the Christmas Cheer project starting November 5, 2012 thru December 7, 2012.

Our primary goal with the help of Marine Corp's Toys for Tots is not only to deliver a shiny new toy at Christmas, but a message of hope to needy youngsters, that will motivate them to grow into responsible, productive, patriotic citizens and community leaders. DSS tries to provide two (2) new toys and stocking stuffers from newborn to age 12. DSS also strive to help ages 13-18 as long as they are still in high school and we receive age appropriate items. We also provide food boxes to the elderly and disable in our community.

We are asking for your support and generosity on today, to help take a stand for this program by making a donation. Your generosity is a great help to fulfill the program. All contributions are used for Hyde County residents only. Last year we were able to serve over 290 children. That was quite an increase from 2011. It was made possible with the help of generous donations that were received.

You can help by sending donations of money, new toys and new clothing or sponsor a child or family. For more information, contact Linda McCabe or Pam Midgette at (252)926-4476. We ask that all contributions be mailed or brought in by December 14, 2012. Our office is located at 1430 Main Street, Swan Quarter. Thank you.

Let's help spread the JOY!

Sincerely,
The Hyde County DSS Christmas Cheer Staff
