About Make-A-Wish® Eastern North Carolina

Since 1986, Make-A-Wish® Eastern North Carolina has been working hard to make wishes come true for kids in Eastern North Carolina. To date, over 2,000 wishes have been granted! This can be made possible when you donate a car using the [Wheels For Wishes](#) Car Donation program, benefiting [Make-A-Wish® Eastern North Carolina](#).

About Wheels For Wishes Car Donation

Wheels For Wishes offers an easy way to recycle or donate unwanted cars, trucks, motorcycles, SUVs, RVs, or even boats. With your car donation, Make-A-Wish® is able to grant the wishes of children with life-threatening medical conditions and bring hope, strength, and joy back into the life of a child. Plus, you receive the maximum possible charitable tax deduction for your vehicle donation.

Wheels For Wishes will pick up or tow away old, broken down vehicles, running or not, and either recycle or auction them. 100% of net proceeds from the vehicle benefit Make-A-Wish® Eastern North Carolina and help kids in your own community.
