

2013 Basic Skywarn Spotter Training

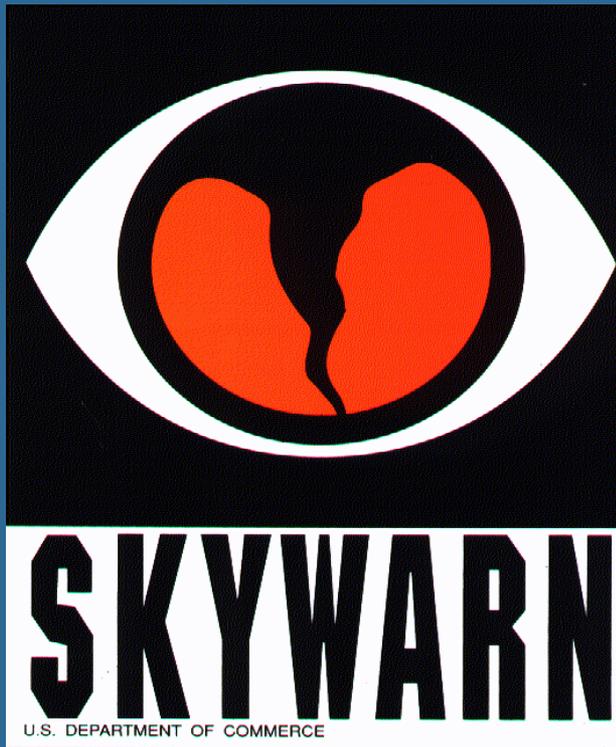

The Newport/Morehead City National Weather Service Office and Hyde County Emergency Services will be hosting a Basic Skywarn Spotter Training Session via video conference on Tuesday May 14, 2013 from 7 until 9 pm. The course will be conducted in the multipurpose room at the Hyde County Government Center in Swan Quarter and the Ocracoke School Commons Area. The course is open to anyone that would like to attend.

Come join us May 14th
