***SPRING POTTERY WORKSHOP***

*With the ever popular Carolyn Sleeper, [www.slatestonestudio.com](http://www.slatestonestudio.com)*

***"Mosaic Picture Frames"***

*A mind-and-eye opening pottery experience!!*

*May's offering will be a diversion from working with wet clay:*

*We'll be using glass shards as well as busting up pottery and dishes then arranging the pieces on to the surface of a wooden frame (provided) for a fabulous new look!*

*Because mosaics are typically time consuming with drying time for the "glue", we'll use a special product to attach the shards in a pleasing pattern to the wooden frame, then tie it all together with grout then wash, wash, wash! What a mess, but the results will be DIVINE!*

*Gloves, protective eyewear, as well as all other supplies- including some mirrors for framing-will be provided but you are welcome to bring any previous clay project you made but are not crazy about, or any dishes you are willing to part with for creating additional shards.*
