

## **Notice of Annual Spot Check & Conservation Tour**

**The Hyde Soil & Water Conservation District Supervisors will conduct their Annual Spot Check Tuesday, February 7 beginning at 9 a.m. at The Hyde Government Center, Suite #117 in Swan Quarter.**

**Supervisors will review projects and applications that have been completed through the Hyde County Soil and Water Conservation District Office within the last year. Several Best Management Practice projects will be randomly selected and supervisors will perform on-site evaluations to check compliance.**

**The routine evaluation is performed once per year.**

**For more information, contact Debbie Cahoon, SWCD Administrator, at 926-4195.**
