**SUBJECT:** Road Show

The extension agents in Beaufort, Hyde, Washington, and Tyrrell Counties will be hosting the annual "Road Show" winter meetings again this year. The agenda for each meeting will cover current issues related to the production of corn, wheat, and soybeans:

- Insects (kudzu bugs, insecticide resistance, refuges)
- Weeds (new approaches for control of Palmer)
- Diseases (fungicide resistance, green stem, rust, other problems from last year)
- Wheat and Corn Fertilization
- Weather
- Wheat Growth
- Corn and Soybean Test Plot Results

The agenda for each meeting is the same. Please note, some locations will also include a separate "V" training for anyone who has to recertify their private pesticide applicator licenses in 2014:
