Subject: COVID-19 and our Monthly Lunch/Dinner Fundraiser

As you are aware, the Centers for Disease Control and Prevention are recommending that all nationwide events that would have over 10 persons in attendance be cancelled or postponed as a precaution against the spread of the COVID-19 Corona Virus.

With the health and safety of the Hyde community, as well as that of the volunteers who work tirelessly to host our monthly lunch/dinner fundraisers in mind, we have reluctantly decided that we will not hold our Saturday, March 28 event.

We know that you will miss the meal and the time of fellowship with others and we look forward to our next meal together.

These fundraisers help us pay our bills and so we ask that if you haven't already done so, please mail in your donations to our annual letter campaign requests that were sent out in January. Your support is vital for us to continue to serve our community!

Please take the suggested recommendations for staying healthy during this trying time in our nation's history seriously and we hope to see you soon!
